SPEAKER: The question is, whether or not we are going to suspend the rules in regard to LB795 and go directly to General File to consider it. Have I correctly stated the question Senator Kremer. All those in favor vote aye, those opposed vote no. This requires 30 votes at this point. Senator Richendifer, for what purpose do you rise?

SENATOR RICHENDIFER: Who is all excused?

CLERK: Two senators. Rasmussen, and Burbach.

SENATOR RICHENDIFER: We wouldn't want anyone to be mice would we?

SPEAKER: The Chair would observe as a point of order than when and if we get to General File, I'm going to double check if that then takes 25 or 30 votes. If it takes 30 votes now because we are changing our order, and that is the suspension of the rules. Have you all voted?

CLERK: Senator Nore, has asked for a record vote.

SPEAKER: Have you all voted? Clerk will record.

CLERK: 27 ayes, 17 nays and 5 not voting. Vote appears on page 1424 of the Legislative Journal.

SPEAKER: Motion fails. We will now take up LB1051 and we are ready to vote because the Senator, unless he has other closing remarks. We are now ready for the question. Shall the rules be suspended and we put LB1051 and go to the General File consideration of LB1051. All those in favor vote aye, those opposed vote no. Have you all voted? REcord vote has been requested. Clerk will record.

CLERK: 27 ayes, 18 nays and 4 not voting. Vote appears on page 1424 of the Legislative Journal.

SPEAKER: Motion fails and we will now return to Select File for consideration of LB875. Mr. Clerk in what stage was that?

CLERK: Mr. President, (mike not activated) With....

SPEAKER: The Clerk advises me that LB1049, there are no amendments on that bill and there are none pending. We could probably advance that at once on Select File. Then get back to our other bills. Senator Syas.

SENATOR SYAS: (mike not activated)

SPEAKER: LB1049, that has no amendments on it, and no amendments have been offered. The Chair presumes without knowing that it would be a mechanical procedure. Is there any discussion of doing that. Senator Maresn.

SENATOR MARESH: Mr. Speaker there are committee amendments to LB1049.

SPEAKER: Clerk says that there are not.

CLERK: This is on Select File, the bill has already been advanced.
